Rules

Players must be actively playing a video gaming machine with their Coeur Rewards card inserted for points to be counted toward the competition during the specified promotion dates. It is the player’s responsibility to ensure their card is properly inserted and to check that points are accruing as they play. Promotion is valid for the base points earned by an individual Coeur Rewards member’s video gaming machine play during the promotion period only (between 12:00 AM on January 1st and 11:59:59 PM on January 31st, 2025). Points earned through point multipliers, points applied to Coeur Rewards accounts through other methods such as Bingo point awards, or other point award transactions do not apply to the promotion.

Base points earned will be automatically tallied. On Fridays, January 10th, January 17th and January 24th, the point battle leaders list will be posted in the Host Office and available at the Coeur Rewards booth by 3 PM (for total base points earned until midnight of the prior night). The final prize winner list will be posted by 6 PM on Saturday, February 1st, 2025. If winners are not present, they will be notified by the Executive Development Manager within 48 hours of the posting.

Prizes are non-transferable. Travel arrangements must be made in the name of the winning Coeur Rewards member. Travel arrangements in this promotion only apply to the specified Las Vegas trip. If a winner declines or is unable to utilize the prize for any reason, no consolation prize is awarded. Any prize refusal, within 30 days of the final point battle results posting, will result in the next Coeur Rewards member in the final top point earners list being awarded the prize.
